PROFILE

My name is Rozimuhammad Karimov, a 17-year-old aspiring Front-End Developer. While I lack professional experience, I'm proficient in HTML, CSS, SCSS, JavaScript, React.js, jQuery, and Figma. I've completed 23 small projects to hone my skills. Although my English and Russian are at A2 levels, I'm passionate about programming, anime, and dubbing. I'm on a journey to turn my passion into a profession, constantly learning and growing in the world of web development.
